Lettre mensuelle d'informations sur les échéances de l'Agence Internationale de l'Energie Atomique (AIEA)

N°4

IAEA International Atomic Energy Agency

Décembre 2013

Editorial :

Le dernier Conseil des Gouverneurs de l'année s'est achevé fin novembre. Il a validé l'évaluation des activités 2013 de la Coopération technique de l'Agence et adopté son programme pour le cycle biennal 2014-2015, conformément à la recommandation du Comité de l'Assistance et de la Coopération Techniques (CACT), qui s'était tenu auparavant. Il fut également l'occasion pour le Gouverneur de la France auprès de l'AIEA, M. Frédéric Journès, et, Directeur général adjoint de l'AIEA en charge du Département de l'énergie nucléaire, M. Alexander Bychkov, de signer un Arrangement Pratique qui encadrera pour une durée de trois ans la coopération entre l'AIEA et les partenaires français du secteur nucléaire (Instituts de recherche et/ou de formation, industriels nucléaires, etc) dans le domaine de la formation théorique et pratique.

A titre d'information, quelques ateliers et réunions techniques seront co-organisés par le Secrétariat de l'AIEA, les prochaines semaines :

- International Conference on "Small-sized Nuclear Power Plants - the Current Direction of Nuclear Power Development (3-5 décembre, Moscou, voir fichier "**Conference announcement for website.docx**");
- Technical Meeting to Identify Issues and Trends in Operating Experience (3-6 décembre, VIC, Vienne);
- Interregional training course on emergency preparedness and response (9-13 décembre, VIC, Vienne).

Rappels sur la lettre mensuelle d'informations : Cette lettre comporte des tableaux compilant *(i)* des conférences internationales et des réunions techniques organisées par l'AIEA et potentiellement d'intérêt pour les industriels français (autres que celles déjà identifiées lors des réunions de coordination menées par le Service du Gouverneur : CEA-DRI), *(ii)* les besoins de l'AIEA en experts mis gratuitement à sa disposition par les Etats membres (salaires et charges pris en charge par l'employeur), *(iii)* des appels d'offres commerciaux lancés par l'AIEA dans le cadre de l'United Nations Global Marketplace et *(iv)* des postes vacants stratégiques.
